Subject: zMOD Announcement

In advance of the public hearing on the zMOD proposed Zoning Ordinance scheduled for next Thursday, January 28th, staff has distributed a memorandum to the Planning Commission outlining several proposed edits for further clarification, to resolve inconsistencies, and to incorporate suggested edits resulting from stakeholder feedback. Overall, most of the edits are minor, with the most significant change being the inclusion of standards relating to flags and flagpoles. The memo can be found [here](#), and on the [zMOD webpage](#).
